Dear Parents and Guardians:

While our school facility is closed indefinitely due to COVID-19, all students are required to continue school curriculum on an alternative home-bound basis.

All students will be given access to Edgenuity online learning program where teachers will monitor time on-task and provide assistance and communication through school emails (see below). Teachers may provide additional resources and options as necessary, and at their discretion. Students may access learning and communication with computer, tablet and/or cell phone.

If a student is not able to access online learning, please call the school to make an appointment to pick up learning materials. Parents and students are responsible for maintaining communication with teachers for learning needs. Teachers will be available Monday – Thursday from 8:00 to 4:30 during regularly scheduled school days. If you need to speak to teachers directly, please arrange a time to meet with them telephonically by setting a time where they can call you back.

Thank you for your patience as we work on the set-up of home-bound programs.

Sincerely,

Lorraine Reves  
Director

**Our Mission:** *Liberty High School is an educational community committed to academic rigor in the core secondary subjects which provides students with small class sizes, individualized attention, credit recovery options and decision making skills needed to freely participate and succeed in a rapidly changing world.*

**Our Vision:** *To meet the educational needs of an ever changing and complex student body; to develop, to the greatest extent possible, the innate human potential of all students; to meet the unique needs of a select student body; to act as a liaison between the student and community at large; and to function as a positive change agent in the lives of the children we serve.*
